

International
Water Association

Urban Disaster Resiliency Forum

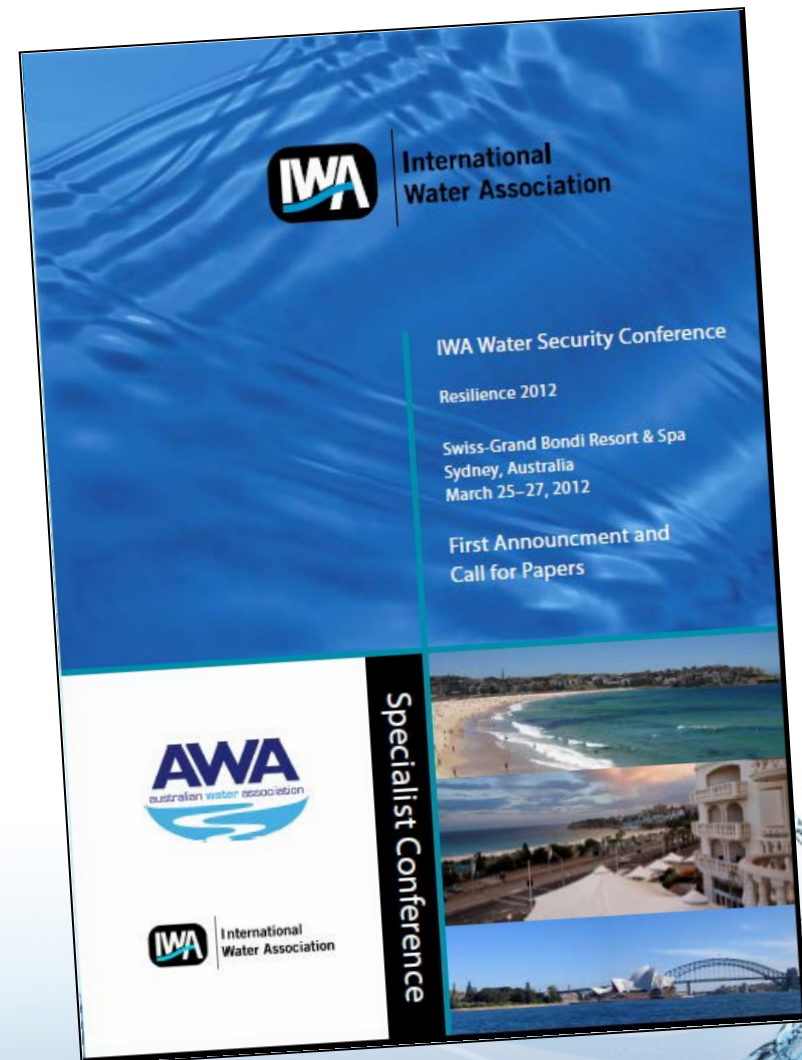

Darren Saywell
Regional Group and
Programmes Director, IWA

W-SMART 2011 International Workshop

Resiliency focus at IWA

- Through support to groups such as W-SMART...
- Via our Water Security and Management Specialist Group...
- Through events, conferences, seminars...

About the UDR Forum

- Promotes awareness of challenges posed to local urban governments, utilities
- Reinforce capacity in disaster response capability
- Mobilization of international community
- N-S; S-S experience sharing
- Local government, public and private water operators, scientific community, national agencies, etc

The poster features a blue background with a water ripple effect. At the top left is the IWA logo and the text 'International Water Association'. To the right, it says 'Development Solutions'. The main title 'PROGRAMME' is in large white letters. Below it, the text reads: 'The Urban Disaster Resiliency Forum at the ArWA 15th Congress' and 'Assessing Disaster Risk in Cities - How to ensure a clear and adequate process and concrete actions on the ground?'. A green section on the left contains the 'W SMART' logo and the text 'Co-organiser: W SMART Water Security Management Assessment, Planning & Toolkits'. A vertical black bar on the right side of the poster contains the text 'DISASTER RISK MANAGEMENT' in white. Below this bar is a photograph of a water treatment facility with people walking. At the bottom right, the event details are listed: '16 March 2010', 'Kampala, Uganda', 'Commonwealth Resort Munyonyo Room 2, 14.00-16.30', and the website 'www.iwahq.org/Home/Development'. The bottom of the poster shows a cracked, dry earth texture.

...continued

- Typical topics
 - Capacity building – best practice, technical and non-technical issues
 - Public awareness and educational programmes
 - Resource mobilization
 - Planning and implementation of pilot projects
- Met in Mexico (2009), Kampala (2010), Bonn (2010), Montreal (2010)

The poster is titled 'DISASTER RISK MANAGEMENT' in a vertical black bar on the left. At the top left is the IWA logo with the text 'International Water Association'. To its right, it says 'Development Solutions'. The main title 'PROGRAMME' is in large white letters. Below it, the text reads: 'The Urban Disaster Resiliency Forum at the ArWA 15th Congress' and 'Assessing Disaster Risk in Cities - How to ensure a clear and adequate process and concrete actions on the ground?'. A green box on the left contains the 'W SMART' logo and the text 'Co-organiser: W SMART Water Security Management Assessment, Planning & Training'. A photograph on the right shows a water pump in a rural setting with people. At the bottom, the event details are listed: '16 March 2010, Kampala, Uganda, Commonwealth Resort Munyonyo, Room 2, 14.00-16.30'. The website 'www.iwahq.org/Home/Development' is at the bottom right. The background features blue water ripples and a cracked brown earth texture at the bottom left.

SPLASH pilot - Maputo

- EC funded 3 year programme (€325,000)
- Develop and promote appropriate strategies to enhance resilience of urban sanitation services and supply chains
- W-SMART as a core partner

European Water Initiative ERA-NET (SPLASH)
Transnational Research Call on Sustainable Sanitation Service Chains

Full Proposal Application Form
